

## How Much Is That Doggie in the Window?

Written by Bob Merrill

Adapted by Grade 2, Centerville Elementary School

*How much is that doggie in the window? (boys – “Woof! Woof!”)*

*The one with the waggley tail (boys – “Woof! Woof!”)*

*How much is that doggie in the window? (boys – “Woof! Woof!”)*

*I do hope that doggie’s for sale!*

I once took a trip to Fallingwater

Where dachshunds could wander and roam.

If I have a dog, I won’t be lonesome

And the doggie will have a good home.

*How much is that doggie in the window? (girls – “Arf! Arf!”)*

*The one with the waggley tail (girls – “Arf! Arf!”)*

*How much is that doggie in the window? (girls – “Arf! Arf!”)*

*I do hope that doggie’s for sale!*

I don’t want a bunny or a kitty

I don’t want a parrot that talks

I don’t want a bowl of little fishies

I can’t take a fish for a walk.

*How much is that doggie in the window? (girls and boys)*

*The one with the waggley tail (girls and boys)*

*How much is that doggie in the window? (girls and boys)*

*I do hope that doggie’s for sale!*

## Oh Where, Oh Where Has My Little Dog Gone?

Mother Goose Nursery Rhyme

Adapted by Grade 2, Centerville Elementary School

*Oh where, oh where has my little dog gone?  
Oh where, oh where can she be?  
With her legs so short and her ears so long –  
Oh where, oh where can she be?*

There's Macho and Maggie and Molly and  
Moss,

Martha, and Mira, you see.

But that fancy dog with a collar of pearls –

Oh Moxie, where can you be?

*Oh where, oh where has my little dog gone?  
Oh where, oh where can she be?  
With her legs so short and her ears so long –  
Oh where, oh where can she be?*

She had her breakfast of bacon and eggs,  
Sunny-side-up, if you please?

Then I saw her go for a swim in the pool –

Oh, Moxie, you're such a tease!

*Oh where, oh where has my little dog gone?  
Oh where, oh where can she be?  
With her legs so short and her ears so long –  
Oh where, oh where can she be?*

Have you ever seen such a clever dog?

Hide-and-seek is her game!

Have you seen this doggie I'm looking for?

Yes, Moxie is her name.

*Oh where, oh where has my little dog gone?  
Oh where, oh where can she be?  
With her legs so short and her ears so long –  
Oh where, oh where can she be?*
